Overview

Welcome to this beautifully updated raised ranch, where comfort and style blend seamlessly. This inviting home features a well-designed layout with three bedrooms and two bathrooms, one of which is conveniently located in the finished basement. The heart of the home is the updated kitchen, showcasing contemporary finishes like granite countertops, a garden window and appliances that make cooking and entertaining a pleasure. Natural light floods the living areas through the brand-new windows, enhancing the bright and airy atmosphere. The newer roof and AC ensure you stay comfortable year-round, while the six-panel doors add a touch of classic elegance. The finished basement offers a versatile space with a charming wet bar, perfect for relaxing or hosting gatherings. With its combination of modern upgrades and thoughtful details, this raised ranch is ready to offer a warm and welcoming home.
