Overview

Home Sweet Home! 3-bedroom, 2.5-bathroom home located in USDA 100% financing area. This lovingly maintained home is not only affordable, but conveniently located less than a mile from I-85. A variety of shopping, dining, and medical facilities are only a short drive away. The inviting front porch welcomes you to relax and linger. Enter the spacious family room, with additional area, that is ideal for a reading nook, family or friends' game nights, or extra seating for gatherings. For those who enjoy cooking and hosting, the generous counter and cabinet space is perfect for food preparation and serving! All bedrooms are located upstairs, including the owner's suite which features a separate tub and shower, as well as a walk-in closet. You'll love the walk-in attic that offers ample storage space for all your items, from holiday decorations to seasonal clothing, all accessible without the hassle of pull-down stairs. There's a private back patio, perfect for some me or us time at the end of the day. A quaint community featuring a pool, playground, and park-like area, offers the perfect setting for playing ball, walking pets, or simply relaxing. What a great place to call HOME.
