Overview

Very rare to find newer construction with so much to offer! Sitting on almost two acres is this bright, well lit floor plan offers wood floors, open concept and split floor plan with multi use large room upstairs! Attached 2 car garage as well as detached under roof and carport. Big bonus is the 800 sqft guest living quarters with 2 bedroom with full kitchen, laundry and bath! Additional storage for outdoor equipment and work area as well! And if that isn't enough, this owner created the perfect outdoor space so unique and inviting for all your family and friends to entertain. This oversized covered area has it all! Fully fenced yard with access gate for your little ones and furry friends! All this and convenient to town!
