Overview

Wow! This one-of-a-kind, oversized shop house is ready to meet it's new owner! With 6, 880 structural square feet, the possibilities are endless! Once used for a commercial roofing business, this property has been transformed into a home with more charm than you could ever imagine! 2450 sq ft make up this glamorous living space. The entryway greets you with a gorgeous tile floor with three rooms surrounding. Two of these rooms will have wardrobe furniture remaining for bedroom use, and the third is being utilized perfectly as office space! Continuing on, you're greeted with a lovely kitchen filled with unique custom features, and your going to love the primary bedroom with 11 1/2 ft tray ceilings, and a jetted tub! Walking out into the shop, you'll find 4, 430 sq ft of garage space with garage and man door entry on the front and back! You have to go see this place!
