Overview

11.94 acres zoned for Gilbert schools. Premium property for residential or commercial development with ideal proximity to I-20. Currently classified as one acre residential and eleven acres timber tract, harvested a few years ago. Property has a gently rolling slope declining off the main road. Mostly wooded with cut trail to the back of the property. Excellent investment opportunity whether you are interested in developing the property or simply enjoying a great hunting and recreational site with rare convenient access. A copy of the GIS map and survey can be found in the Associated Documents.
