Overview

Presenting this picturesque brick home located in the desirable Horizon Hill development. Boasting a staggering 3 high-end finished levels with a two car attached garage on a large 0.7+/- acre lot. You are surely to fall in love with all the stunning stone work as you walk up to your front porch. Inside you will find a foyer, formal dining, spacious kitchen with an eat-in dining space, a half bath. As well as a laundry room offering a second half bath, a great living room with lots of natural light, and a primary suite featuring a large bath and walk in closet. Upstairs the home offers 3 more bedrooms and a full bath. While your fully finished basement offers a massive entertaining area with a wet bar and fire place. Along with 2 more bedrooms and an additional full bath. I mean, wow! This is A LOT of house! It has been aggressively priced and is ideal for a large family looking for extra space! Conveniently located just minutes from town!
