Overview

Prime Location and Spacious Living in Northridge. Enjoy the convenience of a first-floor, one-level unit ideally situated across from the community pool as the view and set back from the main street for added privacy. This home boasts a massive kitchen with abundant new cabinet and pantry space, recessed lights in the kitchen and living room. Ceiling fans, in-wall surround sound plus an in-unit washer and dryer for ultimate convenience. The master bedroom is a retreat with a walk-in closet featuring built-in organizers, and the room is enhanced with elegant wood flooring, base, and crown moldings. The master bathroom is equally impressive, renovated, offering double sinks, a standalone shower, and a bathtub. A sizable second bedroom and a second bathroom also renovated with tile floors, vanity lights, and a bathtub-shower combo add to the units appeal. Modern comforts include central air conditioning managed by a NEST thermostat for energy efficiency. Building amenities elevate your lifestyle with a community pool, recreation room, garden area, and a subterranean garage with two designated parking spaces. Located close to Northridge Fashion Center, Cal State Northridge, public transportation, and dining options, this unit combines luxury and convenience perfectly.
