Overview

This 40 acres and home located on a dead end road in Buffalo County provides a setting surrounded by nature that is incredibly stunning. The home features 4 bedrooms, and 2.5 bathrooms, with an open 2 story concept, and a beautiful kitchen with vaulted ceilings. Home is fully equipped with full solar power for virtually free energy costs. Featuring raised garden beds, bee hives, a chicken coop, a large greenhouse, and additional farmland, this property perfectly encompasses outdoor living. Located in an excellent area of Buffalo County, this property provides excellent hunting opportunities with large bluffs providing cover, and farm fields for food sources. The peace and serenity of this property is second to none, and this is a great opportunity to have your own slice of heaven in Buffalo County, Wisconsin.
