## Overview

This three bedroom Rambler received a major renovation in 2018: included roof, siding, windows, septic, HVAC, and Kitchen with quartz countertop and beautiful tile backsplash plus added cabinets with a laminate countertop and a new stove (August, 2024). Vinyl plank flooring in the dining area, living room and hallway. Fireplace was removed for better functionality in Living Room. New Carpet in all bedrooms. Great windows make this home surprisingly quiet. A home truly ready for a new owner to enjoy.
