Overview

Seize the opportunity to own this well maintained gem, situated to offer stunning views of the #2 tee box and a serene lagoon. This inviting home boasts 3 bedrooms (with one being used as a home office) and 2 baths, all under vaulted ceilings and hardwood floors that grace the main living areas. The kitchen is well designed with its classic subway tile backsplash laid in a herringbone pattern, complemented by an expansive center island that's perfect for entertaining. The large glass accordion sliders reveal a desirable hard-roof screened lanai. Recent upgrades include the addition of efficient LED bulbs throughout the home.
