Overview

Nestled atop a majestic mountain, this secluded haven offers unparalleled privacy, awe-inspiring vistas of 9 mountain ranges, and the ultimate escape from the hustle and bustle of everyday life. Perched at the summit of a mile-long gated gravel road, this well cared-for cabin features 4 bedrooms, 3 bathrooms, new appliances, radiant floor heating, a cozy stone fireplace and a daylight walk-out basement with bonus room. Unwind on the covered porches or soak in the hot tub while enjoying incredible panoramic views. Explore private trails to Max Patch and the iconic AT Trail. The property is rich with natural resources, including abundant water sources, vibrant flora and fauna, flourishing wildlife, and olivine stone found on-site. Whether you seek complete privacy, or the opportunity to live off the land, this mountain retreat offers it all. Embrace the tranquility and adventure that await at this one-of-a-kind cabin in the clouds. Adjoining 24 +/- acres available for interested buyers.
