## Overview

The VIEWS!! This mountain top retreat is simply serene. A gated entry at the base of the property leads you up a winding driveway until you reach the top where it opens up to this breathtaking scene atop Pocket Mountain. This 3 bedroom, 2 bath log home was built in 2007 and is sited on 39+ acres with views for miles. Step inside and you'll find two bedrooms, a bath and laundry room at ground level. Upstairs is the center island kitchen and living room, an additional bedroom and full bath...with views from nearly every window. Outside, the grounds are sure to impress. Whether you're having dinner on the deck, relaxing around the firepit at the bluestone patio, or tossing horseshoes, the fresh air is just amazing. Irrigation, security system, underground utilities, new roof, newer heating system....this well maintained property awaits. So private, yet just 10 minutes to shopping, Province Lake, golf, hiking trails and all the tourist spots. Showings by appointment only; please do not approach property without confirmed appointment.
