Overview

This manufactured home, built in 1995, is a perfect lake area getaway! The property includes a screened-in porch, a wooden deck, and a cozy fire pit, ideal for outdoor entertaining. Additionally, the 24x42 foot garage with a concrete floor, garage doors on both sides for easy boat pull through, and a fish washing station is a dream for hobbyists and outdoor enthusiasts. Featuring a spacious split floor plan, this home boasts 3 bedrooms and 2 baths. The large living room is perfect for gatherings and relaxation. The primary suite is a true retreat, complete with a vanity area, a large bathroom with a soaking tub, and a generous closet. Conveniently located near the lake, this home offers a peekaboo view of the water! Furnishings negotiable!
