Overview

Tranquil 3.5 acre property surrounded by forest. It's so quiet out here, you will forget the hustle and bustle. Double wide home (2002) with 5 bedrooms and 3 bathrooms! 2400 sqft. Owner installed custom vinyl siding on the home. Metal roof (50 year) and heat pump installed in 2019. Three wells on property. Plentiful deer and all kinds of wildlife in the nearby area. Pre-engineered metal shop (30x80x16) with reinforced concrete floor located at the back of the property is perfect for a welding shop or other commercial venture. Owner operated a commercial welding operation in the shop. Property has 400 amp main electrical service, all underground electrical. Make 3654 Whitewater Road your home and enjoy the peace and quiet of rural Georgia!
