Overview

This property offers a unique opportunity for those seeking space, tranquility, and potential in a scenic location near Lake Nimrod. Situated within the city limits, this expansive property spans 22 fenced acres, providing ample room for various endeavors and outdoor activities. With its unfinished status, the home presents a canvas for customization and personalization to suit the buyer's preferences and needs. Located near Lake Nimrod, residents have convenient access to recreational opportunities such as boating, fishing, hiking, and picnicking. The home was intended to be a 5 bed/2 bath, construction needs to be finished throughout. There are two large covered buildings that could be used for numerous possibilities. Selling as is.
