Overview

Welcome to this All-Brick dream home! This property has so much to offer, with 3 Bedrooms, play room, recreation room, an office/study room, and 4 bathrooms. Located on a .71 acre lot with ample space for all outside activities, there is a half bathroom outside that is very convenient for the kids while they play outside. As you walk through the double entry doors, you will find yourself in a spacious foyer that will lead you to the living headquarters straight ahead. Lots of windows throughout the home for all the natural light to come in. The family/living room has a large all tile electric fireplace and plenty of room to get together with family and friends. The enormous kitchen is the heart of the home with a huge island, lots of counter space, a large window and a generous amount of cabinets! Has a built-in microwave/oven combo, a 36 electric smooth stove-top, dishwasher, and a walk-in pantry. The office is located on the main floor and has two built in desks with cabinets and shelving. There is a half bathroom downstairs. Laminate flooring throughout the home with tile in bathrooms and laundry. Upstairs is where all the rooms are, there is a hall full bathroom with double sinks. The spacious master bedroom has a sliding door that leads out to a large balcony that overlooks the backyard. Has a walk-in closet and a full bathroom with double vanities, a fully tiled shower and a nice soaking tub to relax after a long day. The home is located in a subdivision that does

not have HOA but does have restrictions. It comes with 6 cameras for outside surveillance as well as a video doorbell for that extra piece of mind. The lake is right across the street, and Lake Blalock Park with a boat dock is about 10 minutes away. The crawl space provides lots of storage space and with its double doors you can store your ride on mowers as well. Come see this home today!
