Overview

Welcome to this well maintained, one-owner home set on 5 private acres, surrounded by hardwood trees, just minutes from Waid Recreation Park. It offers a desirable split bedroom layout and a one-level open floor plan that blends comfort with convenience. The inviting covered front porch, complete with electrical outlets in the soffits, is perfect for enjoying the peaceful outdoor setting. The primary bedroom features a spacious walk-in closet, while the two additional bedrooms offer double closets for ample storage. The home has been updated within the last month, with new LVP flooring, fresh paint throughout, and fully upgraded bathrooms with stylish vanities, sinks, and faucets. The primary bath now includes a freestanding tub, a modern shower, and dual vanities. The updated kitchen includes new countertops, new deep sink and faucet, and updated cabinet hardware. Additional improvements include refreshed light fixtures, ceiling fans, outdoor lighting, and new hardware on all interior and exterior doors, including hinges and door stops. The heat pump was also recently replaced in 2019. This home is the perfect blend of modern updates and country living. Year built, sq. footage, taxes and acreage based on county records.
