Overview

Prime Location! This unique gem, a former model home, is situated at the end of a cul-de-sac and offers 6 bedrooms and 4 bathrooms on a spacious 9, 664 sqft lot. A rare permitted detached 500 sqft ADU in the back with its own HVAC system, includes a bedroom (configuration is possible for 3 bedrooms), office, full bath, and kitchen perfect for guests or rental income! The main house is 2112 sqft and features 5 bedrooms and 3 bathrooms with dual HVAC system, including a highly desirable first-floor bedroom and full bath. Enjoy gatherings in the separate living room and sunroom, each complete with its own fireplace. Hardwood floors extend throughout the upstairs bedrooms. Note that the 590 sqft sunroom and the converted garage (now a gym/home office) are not included in the square footage. Equipped with a home security camera system, and Google Nest doorbell and floodlights security cameras. The expansive yard is ideal for entertaining and outdoor enjoyment, possible dual sides RV access. Conveniently located within walking distance to Top Rated Schools, Marshall Pomeroy Elementary, Thomas Russell Middle, and Milpitas High, saving you time on school commutes.
