Overview

Rarely available 1500 square foot two bed two bath condo located in sought after Stonegate. This welcoming south facing second floor unit is bright and cherry all day long. The living room dining room combo is generous in size with ample amount of natural light streaming through the many windows. The sun drenched nice sized kitchen has stainless appliances travertine flooring and eating area. Two large bedrooms and two full bathrooms complete the unit. Hardwood flooring in living/dinning, hall way and bedrooms. Two outdoor parking spaces. The building has a side patio with chairs, grill, fire-pit and even a community garden. The building is so well maintained, truly a special seven unit self-managed building in awesome location. New roof, and \$30, 000 in reserve. Close to down town Arlington, top ranked schools, shopping and so much more!
