Overview

This sprawling 93.11-acre USDA-certified ranch is the perfect blend of functionality and natural beauty, offering everything you need for a thriving agricultural operation. The property is equipped with two spacious hay barns, ensuring ample storage for feed and supplies. A sturdy metal barn with a concrete floor and electricity provides versatile space for equipment or livestock. Three serene ponds are scattered across the land, enhancing the ranch's appeal and providing essential water sources. The entire property is fenced and cross-fenced, offering security and convenience for managing livestock. Additionally, the Priefert paneled corral with a cattle work shoot ensures efficient handling and care of your herd. This well-maintained ranch is a rare find, offering endless possibilities for farming, livestock, or recreational use.
