Overview

This charming and modernized Victorian has it all! Conveniently located a short distance to Ashland's downtown plaza, shopping and restaurants. The home is a stunning luxury showcase that has been extensively renovated and updated. The ground level has a primary ensuite and another 2 ensuite bedrooms. Also on the main level is a light filled living room w/a gas fireplace and hardwood flooring. The chef's kitchen flaunts a gas range w/two ovens and plenty of room to entertain at the granite topped island. Upstairs is another primary suite with a gas fireplace, vaulted ceilings, and an incredible bathroom with two toilets, shower and separate jetted soaking tub. All of the bedrooms have private decks overlooking the valley with incredible views..31-acre lot is completely landscaped with a water feature, built in fire pit, fenced yard, and a jacuzzi tub. The two-car attached garage has been completely updated and has a Tesla charging station and your power bill will be offset by 27 solar panels. (~8kW)
