Overview

One of the few lake front lots left in this community! Incredible property that gives the buyer an investment opportunity. This single level 2600 sq/ft house has wonderful views of the lake with lake frontage. Buyers can dredge a dock in the future and make more equity in the property. Store your RV in the RV carport. All of this on over half an acre. Enjoy the updated flooring, paint and new appliances in this beautiful, quiet, and serene lakefront property with wonderful views of Lake Tyler.
