Overview

This stunning 3-bed, 2.5-bath colonial was thoughtfully designed for functional convenience and recently updated with modern touches and professionally painted throughout. The kitchen features stainless steel appliances, new countertops and breakfast bar. In the adjacent hall is the pantry, main level laundry and separate half-bath. Enjoy hosting dinner parties in the elegant two-tone DR with Chair Rail. After dinner, relax in the spacious LR with new hardwood flooring, vaulted ceiling and pellet stove. The primary bedroom offers a custom walk-in and full bath. Two additional bedrooms and main bath round out the second level. New stone veneer wraps the garage exterior adding a touch of sophistication and style and added layer of insulation! All bathrooms have been updated with life proof porcelain tile, modern vanities and lighting fixtures. Work from home in the partially finished basement and retreat to the outdoor oasis with stone fire pit, patio area and new deck for dining.
