Overview

Looking for large lakefront estate in Maine that can offer you the perfect combination of peace, memories, excitement, and potential income? Regardless if you're looking for a vacation home, family compound, or Bed and Breakfast, this beautiful property in the historic town of Casco, sits on over 2 acres of land and is surrounded by woods, water, and hiking trails. With roughly 420' of owned frontage on Pleasant Lake, it comes complete with a 40' seasonal dock, boat mooring, and a household full of furnishings making for an easy move in ready experience. Enjoy endless boating, fishing, and sunbathing during the Summer months or enjoy big woods hunting, ice fishing, snowmobiling, and skiing during the Winter. With 5,540 square ft. of collective living space, this property provides plenty of options for entertaining guests and making memories with friends, family, and loved ones. The main house includes 6 bedrooms and 7 bathrooms, 1st floor living accommodations, an oversized dining room with a Thanksgiving style gathering table, a peaceful sunroom with plenty of space to relax, and exquisite chefs' kitchen, and a cozy living room with a wood burning fireplace. Between the condition of the property, multiple heating sources, water treatment units, and a 10-bedroom septic system, rest comfortably knowing everything's in place for when you're both home and away. The 3 season guest cottage is cute, cozy, and simple and above the oversized 2 car heated garage

is the Studio Loft. A perfect break away unit for you or your guests to appreciate, all while having secluded quarters to relax in privacy. Looking for a building to store the toys, yard equipment, and tools? The oversized Carriage House is the perfect spot for just that. Use it freely or turn it into an Indoor/Outdoor living room, a game room, or a space for the teens to enjoy with their friends. This beautiful property has it all and memories are waiting to be made. Join us for the Open House Saturday (8/17) from 2-4p
