Overview

This beautiful Charbonneau gem is on a cul-de-sac with total privacy in your oversized backyard. You are backing to farmland so no one behind you just open space. This updated home has a newer kitchen with newer cabinets, self-closing drawers and doors, appliances, natural quartzite countertops, and flooring. A large primary suite with room for a sitting area or your peloton bike. This is an excellent home for entertaining both inside and out. You have tons of storage room for two large cars and more in this oversized garage. Newer HVAC, exterior paint, leaf guards on the gutters, and outdoor storage unit. Don't forget the neighborhood pools
