Overview

An oasis from day to day cares, this home is nestled on a peaceful cul-de-sac of 8 charming colonials. Recently updated from the attic to the patio and everywhere in between(see MLS docs)! A jewel in the market and like facets on a gem every angle opens your eyes to more outstanding features! Kitchen, laundry and all baths have been upgraded with new counter tops, faucets, cabinetry, lighting, appliances and baths feature lighted mirrors, towel warmers, and new fixtures! A bonus, all bedroom closets have Elfa organizers. As you enter to upgraded Newel posts with iron balusters is a home theater with surround sound, 75 TV, (chairs and audio equipment included)! The living room has an upgraded propane fireplace hearth and mantle with views front to back. On the exterior is an awninged composite deck that is more than 11 x 16. In the back a water feature, hot tub, patio, free standing fireplace and magazine quality landscaping! This home must be experienced in person, see firm rmk
