Overview

Located across from the river you will find this gem nestled on over 2 wooded acres. Peace and tranquility abound, this property is located near the end of the road with minimal traffic. There is a large laundry/mud/utility room, a family room with free standing wood fireplace, open concept kitchen and living room. Main floor bath and bedroom. Office area as you approach the stairs going up. There is one more large bedroom upstairs along with a free-standing gas fireplace. The window treatments and curio cabinet in the living room are also included. Please allow the seller at least 24 hours to respond to offers.
