## Overview

Solitude with views for miles! Come escape to your own private retreat and block out the commotion of the world. 3 lots available. Each lot could be modified by the developer to fit any need you may have! Buy one, two, or all 3 (see MLS #577139). There are 2 springs on the property which may be available for culinary water. Seller is willing to dig the hole for the septic system and level a building site. Power will be brought up the hill to each building site as well. Call today for more details.
