Overview

Stunning 3 bedroom, 2.5 bath ranch on a corner lot in Manteno's prestigious Westshore Manor. Built by Stewart Construction, this quality home offers 1,877 square feet of thoughtfully designed living space. The partially finished full basement provides added versatility, with the potential for a 4th bedroom currently serving as a multipurpose room. The bathroom has been roughed in, ready for future customization. The three-season room and patio offer perfect spaces to relax and enjoy the serene backyard, complete with a storage shed. The expansive three-car extended heated garage, capable of accommodating up to five vehicles, is a dream for car enthusiasts, hobbyists, and project lovers alike. Meticulously maintained, this exquisite ranch home exemplifies the finest in ranch-style living, ready to be your own.
