Overview

Recently renovated rambler in a prime location with tons of space! Remodeled kitchen features stainless steel appliances, white cabinets, solid surface countertops, and newer flooring. Four bedrooms with three on the main level. Two full baths. Primary bedroom walk-through to bathroom. Huge lower level entertaining space with family room and wet bar that walks out the backyard and deck plus another sizable bedroom and full bath. Giant backyard for cookouts, gardening, and playtime. Large breezeway porch between kitchen and garage. Mature trees and gorgeous landscaping. Big laundry room that can double as an exercise room plus an adjacent storage room. Two fireplaces. Concrete driveway and 2-car attached garage. Newer windows and HVAC. Lots of parks and trails within walking distance. Easy access to Theodore Wirth Park, shopping, restaurants, and Hwy 100. A must see!
