Overview

Not often does the opportunity to own a NEW home in a quiet, long established community come along! This home was completely rebuilt in 2020, inclusive of HVAC and tankless hot water heater. Gorgeous 1 acre lot with PUBLIC SEWER. Renovation details were thoroughly planned. Designer gourmet kitchen with ALL the amenities, including an enormous walk in pantry. Opens to Family Room/Dining Room with vaulted ceiling and wood burning fireplace. Off the Family Room is a Flex Space that is currently a Home Office, with separate exterior entrance. Other side of the home offers guest half bath and a potential 2nd Owners' Suite/In-Law Suite/Au-Pair space with outside access to the rear deck. Bedroom has a wood burning fireplace and en suite full bathroom. Head up the open oak staircase to the 2nd floor where you'll find the well appointed owners' suite with spacious walk in closet and lavish bathroom. 2 additional bedrooms, large laundry room and a deluxe hall bath complete the 2nd floor. Head down to the walk out finished basement to find plenty of natural light and space. Finished basement is attached to the 3+ car garage access. Outdoor space includes an oversized composite deck with stairs to the level, rear yard. Additionally there's a storage shed for gardening equipment and dog kennel.
