Overview

Welcome to The Falls at Meehan. New construction with rare privacy in backyard. Located steps a way from the square in downtown Pendleton this home provides ample living space with maintenance free exterior, builder warranty and all the modern touches you're looking for. The main floor features an open floorplan and primary bedroom with on suite as well as a fireplace in the Livingroom. Many upgrades include custom blinds, kitchen pendant lights, ceiling fans and structured wiring through out. Three additional bedrooms and a loft make for a great upstairs with space for all. Enjoy an walk with sidewalks all through the neighborhood as well as the neighborhood POOL!
