Overview

Nestled in a serene canopy of trees, this pristine three-bedroom, 2.5-bath cabin offers an inviting retreat where comfort meets nature. The gentle sounds of the creek on the property set the perfect backdrop for relaxation, while the spacious layout provides ample room for you and your guests to unwind. Inside, you'll find two cozy fireplaces upstairs and downstairs, heated tile floors in the bathrooms, and stunning hardwood cherry floors throughout. Laundry hookups on main and in basement. The luxury chef's kitchen, complete with abundant pantry space, and a spacious island, is sure to delight any culinary enthusiast. The lower terrace level offers endless possibilitieswhether you envision it as a guest apartment, game room, movie room, or in-law suite, it's fully finished and ready to meet your needs. A fenced in yard for your fur babies. For those who need a workshop, this property features an expansive 28x38 detached garage with a loft! Whether you're storing vehicles, a boat, or working on that classic car restoration, this spacious garage has you covered. Located just minutes from Young Harris and Hiawassee, this home is perfectly situated for adventure. Explore nearby scenic mountain lookouts like Bell Mountain or discover the many waterfall hikes within a short 30-minute drive. This home is pristine don't miss your chance! Schedule a showing today before it becomes the one you wish you had bought. Also, be sure to check out the 3d matterport tour!
