Overview

Nestled amidst an abundance of mature trees, this unique.938-acre triangular lot provides both privacy and natural beauty, making it an ideal setting for your dream project. The property is already equipped with a water meter and access to electricity, setting the stage for seamless development. While it does not include a septic system, its prime location enhances its appeal. Located just 5.1 miles from Circuit of the Americas, 13.0 miles from Austin-Bergstrom International Airport (ABIA), 13.9 miles from Tesla's Gigafactory, and 21.9 miles from downtown Austin, this lot offers unmatched convenience. With no restrictions, the possibilities for this land are vast, though its important to note that swine, horses, and cows are not permitted. Buyers and their agents should conduct thorough due diligence to ensure the property suits their specific requirements. Don't miss this rare opportunity to own a versatile, tree-covered lot in a rapidly growing area. The three concrete culver will convey with the purchase of the property. Buyer Agents do your due diligence, verify all information.
