Overview

This elegant custom built all stone home located in Mammoth Spring, Arkansas has all the vintage charm of an era past. The craftsmanship makes this property an exceptional masterpiece. It features a generous master suite and 2 guest rooms. The master has its' private bathroom; the guest rooms are serviced by another full bath. The front entrance invites one into a foyer, then to the formal living room and dining room and Arkansas glassed in sun room-with wonderful outdoor views of the private landscaped estate. There is a paved drive leading to a side entrance to enter the mud room, then to the gourmet kitchen-featuring ample custom cabinetry. The separate breakfast room offers lots of windows for natural morning light. This living room has custom made lead glass windows. The basement has a private inside parking area, another kitchen, a spa w/ hot tub, office and storage room. There is a detached double car garage/shop for lawn maintenance and storage. Another private paved drive leads to the downstairs inside parking area. There is a black ornamental perimeter fencing on almost an acre. This estate is about 1 mile from the largest underground spring in the U.S. Unlimited potential.
