Overview

OPEN HOUSE 8/17 and 8/18 12-2 PM Cogswell Farm nestled in the heart of Atkinson is a well-established 55+ community. It's a picturesque quiet setting with open green spaces and yet is only minutes from shopping centers and major routes. This beautiful 10 room Townhouse, boasts over 4, 000 sq/ft of both comfortable and luxurious living spaces. The first floor consists of a welcoming foyer that leads past a formal dining room (currently shown as an office), an eat-in kitchen featuring a granite island/bar seating, custom cabinets, ss appliances, and a French door leading to a deck overlooking a professionally-landscaped, tree-lined grassy area. The gas fireplace is the focal point of the formal living room. The primary bedroom suite features a deep walk-in closet, jetted soaking tub and double vanity. Open the French doors and enjoy the timeless ambiance of the Tea Room and the warmth of its fireplace. The upper level offers an open loft area and the second bedroom suite complete with private balcony. A large family room plus two additional bonus rooms and bath comprise the lower level. Whether it's a cozy dinner for two or a large social gathering, this home won't disappoint! The well-thought out design elements of inviting spaces, clean architectural lines, neutral colors, natural light, a well-balanced easy flow floor plan, high-end finishes, and soaring ceilings all

work together to create an ideal environment...the perfect place to call home!! -
