Overview

Investors, Vacationers, and Outdoor enthusiasts. This is the place for you! This property is currently a very busy Airbnb with great income, but also makes a great summer cottage, or can be lived in year round! If you like fishing, hunting, kayaking, paddleboarding, or winter sports this home will fit your needs. You will have access to not only Dexter Pond, but Berry Pond, and Wilson Pond as well, and the property connects to the other side of Dexter Pond Road where you have a lot large enough to build on if you wish. Come take a look at your next investment or your new home! Seller offering concessions
