Overview

Welcome to your private sanctuary nestled on over 5 wooded acres with creek. This beautiful 3 bedroom, 4.1 bath home offers a perfect blend of comfort and natural beauty. As you enter, you are greeted by a spacious and inviting living area with stone fireplace, high ceilings and large windows that flood the space with natural light. The open design seamlessly connects the living room, dining area and kitchen, making it ideal for both entertaining and everyday living. The kitchen boasts ample cabinets and counter space perfect for preparing meals. The formal dining room can be easily transformed into an office. The master suite is a true retreat, featuring a full bath with soaking tub and walk-in shower. The home, shop and garage all have floor hot water heat. The finished, walk-out basement includes an expansive family room, game room, exercise room, workshop and storage. Don't forget about the 27x21 bonus room and 4 car attached, heated garage! Need more space? The 50x32 detached garage with 19' ceiling, 12x12 door, heat and a/c, loft and full bath can house all your toys including motor home. Other extras include storage shed, potting shed, chicken coop and firewood storage. This is a must see!!
