Overview

BACK ON MARKET DUE TO NO FAULT OF THE SELLER! Sale includes adjacent lot, totaling almost half an acre. There's no place like home, and these words could not be truer than here at 401 Berrien Street. From the classic red exterior, a front porch perfect for sunsets and morning coffee, to the original hard woods and staircase, you will see yourself making memories for years to come. The kitchen has been updated with new cabinets, sink, fixtures, and appliances. Both bathrooms have also been updated. This home has a new roof, new furnace and central air. As you step out of the back door, you are greeted by the shade of a white walnut tree decades old. Buchanan Schools and eligible for Buchanan Promise program. Schedule your showing today!
