Overview

Beautiful light-filled home with views in a quiet setting that is just a short jaunt to the Ashland trail network. This turn-key home backs to parkland, preserving its peace and tranquility. Inside is a bright and fresh interior with a wonderful layout. The kitchen has stainless appliances, butcher block and French doors that open to the expansive deck with views. Skylights let light fill the Great Room that has a wood fireplace and sliding doors with access to the deck- wonderful place to gather and entertain. Upstairs is a terrific bonus space. Vaulted ceilings, views, wet bar makes this a perfect flex space for a media room, home office, guests or potential conversion into an ADU. Downstairs are three bedrooms, including a spacious primary with an ensuite bath. It opens to a private deck with a hot tub- a true retreat. This is a must-see to experience the quality and lovely layout of this fantastic home. Seller is a licensee in State of OR and CA and is related to the other seller.
