Overview

Nestled on a quiet cul-de-sac in a country subdivision, this home combines comfort, convenience and quality craftsmanship. Step inside, you'll be greeted with a large open kitchen and living area w vaulted ceilings and gas FP. The custom-made cabinets and walk-in pantry w adjustable shelving offer plenty of storage! Primary bedroom offers a tray ceiling, walk-in closet and en-suite bath. 2 other generously sized bedrooms offer lighted closets and ceiling fans. 1st floor laundry offers gas and electric hookups, cabinet space and hanging rod. Basement is stubbed for a bath and includes an egress window, ready for your future plans. This home is complete with the impressive 3.5-stall garage, with an extra deep third stall and an overhead door w direct access to your backyard! Pictures are very similar.
