Overview

Welcome to your lakefront sanctuary. Discover the perfect blend of luxury and functionality in this stunning contemporary, with detached studio, wellness space w/ sauna and lap pool and 2 car garage. The main house has unique Architectural Features such as skylights, striking wood beams, and expansive porthole windows that flood the space with natural light and offer breathtaking views of the lake. Enjoy the elegance and warmth of hardwood flooring which seamlessly connects each space in this beautifully crafted home. Find your escape in the cozy library loft, perfect for a quiet read or a moment of reflection. Ample spaces for relaxation, providing the ideal backdrop for entertaining guests or enjoying peaceful solitude. Detached Building Features: Versatile Upper Level: A spacious room w/ built-ins and skylights, ready to become your dream artists studio, game room, or creative haven. Enjoy 200' of your own lake frontage.
