Overview

This extraordinary waterfront estate spans 25 park-like acres with 1,060 feet of water frontage, private pier and sandy beach and provides privacy, panoramic ocean views and quiet luxury. Every detail has been thoughtfully curated to ensure a gracious living experience and has been maintained to the highest standards. The site includes expansive grounds and multiple homes with indoor and outdoor living and entertaining spaces to delight family and friends. This sprawling compound has been carefully assembled and improved over time and is truly a one-of-a-kind legacy property. The site includes a gracious Main House, Dock House w pier for entertaining and boating, Guest House on a sandy beach, Barn w storage and apartment, Alexander Standish Antique House, Boat House, Greenhouse and Gardens, outdoor Pavilion w kitchen, gunite pool, pond, sandy beach and dock. This is coastal living at its finest, only 35 miles from Boston.
