Overview

Expansive 6.76-acre waterfront oasis! This home offers unparalleled peace and privacy. A durable metal interlocking roof (2015), powerful 400 amp electric service, and a reliable 13kw generator(2023) ensure comfort and security. The kitchen is a culinary enthusiast's dream. Sit on your deck off the kitchen and enjoy watching the wildlife in your peaceful sanctuary. Enjoy effortless climate control year-round with geothermal heating and cooling(2013). A new septic system(2023) provides peace of mind. A new driveway in 2016 with an electric hookup and pad for a RV or Camper. Unwind on the deck, taking in breathtaking views of the pond and Neponset Reservoir, along with the area wildlife. House was built in 1955, but moved 200' back from the road and put on a new foundation in 1990. Lower level is rough plumbed for a full bath and framed for three extra rooms plus a bedroom with walkout slider. The possibilities are endless at this well-maintained unique blend of nature and modern comfort.
