Overview

Stunning Chelsea model in Woodlore Estates!!! As soon as you walk up, you'll notice the beautiful curb appeal from the upgraded brick front. Step into the 2 story foyer and you're immediately greeted by the latest colors and style of decor. The main level open floor plan features a chef's kitchen that boasts plenty of white shaker cabinetry, quartz counters, tile back splash, stainless steel appliances, pantry closet and breakfast bar seating at both the island and counter. The dining room that can easily accommodate a large, formal table. Living room with slider to a balcony that has a great view of nature..... not your neighbor's garage door. Upstairs you'll be greeted by a master suite that will check all the boxes! Bedroom with tray ceiling, large WIC and a luxurious bathroom!! There are two additional ample sized bedrooms along with another full bath. Make your way down to the lower level where you will be greeted by the family room, laundry room and direct access to the oversized two car garage. Close to all the amazing amenities that Crystal Lake has to offer!!!!
