Overview

Set on a high bluff in the exclusive White Cliffs section of River Bluffs, this beautiful house exudes a coastal charm, perfectly designed for both relaxation and functionality. The exterior is inviting, with a wide front porch that beckons you to sit and enjoy the gentle breeze and scenic views. As you step inside, the airy interior immediately impresses with its 10-foot ceilings, creating a sense of spaciousness and openness. The open floor plan seamlessly connects the main living areas, making it ideal for both everyday living and entertaining. A separate study with pocket doors provides a quiet space for work or reading, allowing for privacy without compromising the home's open feel. The owner's suite, conveniently located in the main living area, is a true retreat. It offers direct access to a private deck, perfect for morning coffee or evening relaxation, further enhancing the indoor-outdoor living experience. A four-season room off the living area, is a true highlight. This sunlit space offers an abundance of natural light throughout the year, making it a perfect spot to enjoy the changing seasons. Large windows frame picturesque views of the beautifully landscaped back yard, creating a connection between indoor and outdoor living. Upstairs, the house continues to impress with two additional spacious bedrooms, providing comfortable and private spaces for

family members or guests. Each room is thoughtfully designed to capture natural light and maintain the home's airy ambiance. Additionally, a finished room over the garage offers versatile space that can be used as a playroom, home gym, hobby room, or guest suite. This area adds to the home's flexibility, allowing it to adapt to various needs and lifestyles. The upper floor complements the main living area with its functional layout and additional living spaces. Overall, this home combines modern design with coastal elegance, providing a perfect sanctuary for its inhabitants.
