Overview

Absolutely a must-see - this is a wonderful opportunity in an all ages community! This move-in ready and spacious 2 bedroom, 2 bath home that lives large - be sure check out the 3D tour. Great layout with newer flooring, large living space, dining room and separate room for laundry. This home has a nice front porch, back patio space, fenced back area and low maintenance landscaping. All appliances included including Washer/Dryer and this home also features a new water heater and Heat Pump (both installed 2024). This is one you definitely do not want to miss! Call today to learn more or schedule a time to see inside!
