Overview

Beautiful farmhouse situated on 3.34 acres of property with a pear tree and a wooded tree line. 32x40 garage includes a wood stove. Inside you will find new windows replaced in 2022 and 2024, new furnace in 2020, gorgeous wood floors and not one, but 2 living room areas. The character and charm of this stunner radiates throughout the home. Appliances and Invisible pet fence with one receiver included with sale of home. Country living at it's finest while still being 5 minutes away from shopping and expressways.
