## Overview

This custom built home is set perfectly under a majestic canopy of Live Oaks. Come experience the serenity of this home located on Bogue Sound. You will never want to leave. Once entering from the street, you will find a Suite on the first floor with 2 twin beds, sitting area, kitchenette and two full camp size baths and showers. This Suite has plenty of built-ins and lockers. Across the breezeway is the two story foyer leading upstairs into the Great Room and Kitchen with a tremendous island that overlooks the Sound. An expansive deck opens outside from this area with a large covered Dining Area. The main floor of the home has a Guest room and Bath and 2 very large Bedrooms and a shared Bath over the garages. (This home currently can sleep 18 people) The 3rd floor has a large Primary Suite with water views and a private deck. There is a smart electrical system throughout the home with labeled panels identifying all of the lighting areas. It is cooled with 4 separate AC units located on the West side of the home. One garage will hold 2 cars and the other can accommodate storage or a golf cart. There is still plenty of off-street parking for boat trailers and other cars. Outside, you will find an enclosed area for storage of chairs, umbrellas, and water toys, as well as a rack for kayaks. The dock has a 4500lb lift.
