Overview

Gorgeous 2 story home in sought after Chesterfield Hills, with private inground pool backing to mature trees and the subdivision pond. Curb appeal and lush landscape frame this whole lot. Step into the foyer to a spacious main floorplan boasting ceramic tile flooring throughout, a living room/great room combo with a wood burning fireplace, a formal dining room and a sunroom. Stunning updated kitchen with a massive granite center island and custom cabinetry and access to the patio make for easy entertaining inside or out! Upstairs escape to your large primary suite with cozy wood burning fireplace, 3 closets and an updated full bath complete with granite double bowl vanity and tile walk in shower. Upstairs also find 3 additional bedrooms and a full bath. Finished lower level offers a rec room, family room with bar and a flex room that would be a perfect home office. You will really fall in love with this home for the stunning backyard, complete with an outdoor kitchen and a private pool.
